RESPONSIBILITY

It is the **current President's** responsibility to ensure this is completed prior to May 1st.

TERM LIMITS

Yes, it's true. PTA has term limits! No officer shall be eligible to serve in the same office for more than two consecutive years or hold more than one elected or appointed office.

According to Robert's Rules of Order, the phrase, "or until their successor has been elected" is necessary to allow for the duties of a position to be handled in the event an election has not been held. It does not extend the length of the term nor does it allow for a person to continue holding a position into the next term.

Vacancy in position: The bylaws delegate the authority to fill a vacant position to the executive board. If a position was not filled at the election, the current individual does not continue to serve in the position into the next term because the board-elect is obligated to fill the vacant position.

CO-OFFICERS

The California State PTA does not recognize co-officers. Co-officer implies two people of equal rank sharing one position. In PTA, only one name may be listed for each office, and only one individual may vote.

SIGNERS ON THE PTA CHECKING ACCOUNT

At least three elected officers, two of whom must be the president and the treasurer, shall be approved to sign checks and have their signatures on file at the bank. The authorized check signers must not be related by blood or marriage or reside in the same household.
